Contents

1	Introduction	2
1.1	Historical Background	2
1.2	Disease model classification	2
2	Theoretical framework	2
2.1	Disease model	2
2.1.1	Mean field models	2
2.1.2	Networked models	2
2.2	Opinion models	2
2.3	Multi-layer network	2
3	Opinion-disease model	2
4	Observation of real data	2
5	Results	2
6	Conclusions	2

1 Introduction

1.1 Historical Background

1.2 Disease model classification

2 Theoretical framework

2.1 Disease model

2.1.1 Mean field models

2.1.2 Networked models

2.2 Opinion models

2.3 Multi-layer network

3 Opinion-disease model

4 Observation of real data

5 Results

6 Conclusions
